

TOWN OF PITTSFIELD
Community Development Committee
Town Office 85 Main Street
Pittsfield, NH 03263
February 26, 2020

1. Meeting began at 6:30.
2. Attendees: Louie Houle (LH), Dale Frizell (DF), and Ellen Barbasso (EB).
3. Minutes for February 12, 2019 approved.

4. "Maker Space" in Concord.

There was an article in the Concord Monitor about a "Makerspace". It is a building that has tools for different trades, such as woodworking, blacksmithing, sewing, etc. A person can join Makerspace for \$50/month then go in any time to use the tools to make things, then sell the items if that is what they want to do. Jared Reynolds (the person who is helping us with First Impressions) is the one who had helped them get the grant to make this happen.

A former business in Penacook, (BD Electric) is now a "Makerspace" also. They may have cooking classes or sewing classes. The other offices can be rented out to people

5. Future Projects

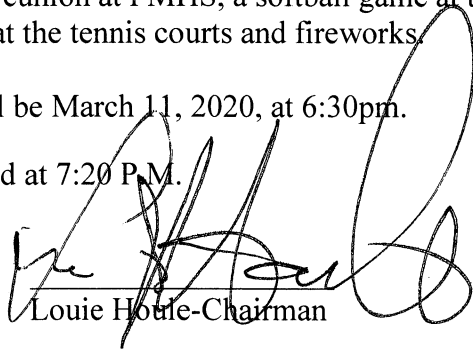

We would like to get people from other committees as well as Fire Department and Police Department to take a walk through the town. The purpose will be to identify and prioritize future projects

6. On Old Home Day, the Carpenter Library will be rededicated after the Parade. Other events include an all class reunion at PMHS, a softball game at the park, swimming and cook-out at Town Pool, a band at the tennis courts and fireworks.

7. Next meeting will be March 11, 2020, at 6:30pm.

8. Meeting adjourned at 7:20 P.M.
