Section 3. Life Insurance

The **Town** selects the carrier to provide Term Life Insurance benefits under this Agreement to the Employees identified in this Agreement. Such insurance shall have no cash value.

The cost of such term insurance shall be provided and paid by the **Town** in its entirety for each full-time permanent Employee under this Agreement, provided such Employee makes application for such insurance to the carrier. Such insurance shall remain in effect only so long as the Employee continues to be employed by the **Town** and only in accordance with the terms and conditions of the insurance policy. The face value of each term policy, with no cash value, shall be \$15,000.00.

Section 4. Selected Carrier

The selected carrier shall be the exclusive carrier for the insurance provided under this Article and Agreement during the term of this Agreement and all subsequent Agreements until otherwise agreed between the **Town** and the **Union**. The **Town** shall not be liable for payments to other insurance carriers for the Employees under this Agreement than the selected carrier.

ARTICLE 30

DISABILITY INSURANCE

The **Union** may of its own select a short and long term disability insurance carrier to provide such coverage to its members and at the sole expense of its members under this Agreement. If the **Union** selects such carrier the **Town** will provide automatic payroll deduction for the Employees enrolled in such coverage under the same terms and conditions as are stated under the Articles in this Agreement entitled "Dues Deduction", "Health Insurance, Flexible Benefit Plan, and Life Insurance", and "Terms of Insurance Policies to Govern".

Should the **Union** select to provide such coverage the **Town** will charge paid leave in proportion to the sums actually paid to employees enrolled in such coverage. By way of illustration if an Employee is on non-service connected sick leave and two-thirds of his sick leave is paid by an insurance carrier and one-third by the **Town**, only one-third of a day shall be charged to the Employees sick leave for each such day of compensation sharing.

The **Town** shall have no responsibility for the enrollment of Employees in such insurance coverage or the authorization to commence or terminate payroll deduction. The **Town** will commence payroll deduction when authorized in writing by the Employee and the insurance carrier and will cease payroll deduction upon written authorization by the Employee. In the case of a dispute between the **Union**, an Employee or the insurance company hereunder for any cause, the **Union** agrees to defend and hold the **Town** harmless in any such dispute.

ARTICLE 31
TERMS OF INSURANCE POLICIES TO GOVERN

The extent of coverage under any or all of the insurance policies (including HMO and self-insurance plans) referred to in this Agreement, shall be governed exclusively by the terms and conditions set forth in said policies or plans. Any questions, concerns and disputes concerning said insurance policies, plans or benefits thereunder shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to any grievance, arbitration, fact-finding or mediation procedures set forth in this Agreement or elsewhere. The failure of any insurance carrier(s) or plan administrator(s) to provide any benefit for which it has contracted or is obligated, shall result in no liability to the Town, nor shall such failure be considered a breach by the **Town** of any obligation undertaken under this or any other Agreement. Nothing in this Agreement shall be construed to relieve any insurance carrier(s) or plan administrator(s) from any liability it may have to the **Town**, its Employees or the beneficiaries of any Employee.

ARTICLE 32
RETIREMENT

The **Town** will make proper contributions to the New Hampshire Retirement System for Employees covered under this Agreement.

ARTICLE 34
OUT OF CLASSIFICATION WORK

An Employee who is required to work out of classification covering a position assigned a higher classification shall be compensated at the rate of twenty percent (20%) more than the employees current hourly rate of pay. The higher classification pay rate is for covering vacancies and long term illness, not for vacation coverage. In order to be eligible for this pay an employee must work ten (10) consecutive workdays. Higher pay shall be retroactive to the first day of assumption of duties.

ARTICLE 35
EMPLOYEE INDEMNIFICATION

Section 3. Standards. The Town is responsible for meeting safety standards that are the minimum standards required of the Town by law and the Union is required to see, in conjunction with the Town, that such standards are enforced.

Section 4. Use Required. Proper safety devices shall be provided by the Town for all Employees engaged in work where such devices are necessary. Such devices, when and where provided, must be used as intended.

ARTICLE 37

COMMUNICATIONS TO EMPLOYEES

Section 1. Copies of Agreement. The Town shall provide a copy of this Agreement to all current and all new Employees covered under its provisions.

ARTICLE 38

SAVING AND SEVERABILITY

Any provision of this Agreement is declared to be severable and if any article, section, sub-section, sentence, clause, or phrase of this Agreement is subsequently declared by judicial authority to be unconstitutional, unlawful, unenforceable, or not in accordance with the applicable Constitutions, statutes, laws, ordinances or regulations of the United States of America and/or The State of New Hampshire, such unconstitutionality, invalidity or unenforceability shall not affect the validity of the remaining portions, sections or articles of this Agreement, but shall remain in effect during the remaining term thereof, it being the intent of the Parties that this Agreement shall stand notwithstanding any invalidity of any part thereof. Upon such invalidation, the Parties agree to meet and negotiate in good faith such articles, sections, sub-sections, sentences, clauses or phrases affected.

ARTICLE 39
SAVINGS CLAUSE AND RESERVATIONS TO VOTERS

Section 1. Savings Clause. If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law and substitute action shall be subject to appropriate consultation and negotiation by the parties. In the event that any provision of this Agreement is or shall be contrary to law, all other provisions of this Agreement shall continue in effect.

Section 2. Reservations to Voters on Financial Matters. The Board of Selectmen and the **Union** agree to support mutually agreed to settlements before the voters of the **Town**. However, any agreement reached herein which requires the expenditure of public funds for its implementations shall not be binding upon the Board, unless, and until the necessary appropriations have been made by the voters. In the event the voters shall not approve the cost increases as approved by the Board, the agreements of the parties shall be void and the **Board** and the **Union** shall resume negotiations.

ARTICLE 40
ENTIRE AGREEMENT

The **Town** and the **Union** acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercises of that right and opportunity are set forth in this Agreement.

Therefore, the Town and the Union, for the duration of this Agreement, each voluntarily, unqualifiedly and unequivocally waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter nor specifically referred to, or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This Agreement may only be amended during its term by the parties' mutual agreement in writing.

This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, except for the prior practices listed and made a part of and currently in effect under the Articles entitled "Management Rights" and "Work Rules" as are currently in force as Ordinances, rule and regulations, orders (general or special, written or oral), Standard Operating Procedures (SOP's) and safety rules and regulations, and together with any letters of understanding executed concurrently with this Agreement constitutes the complete and entire Agreement between the parties and no oral statement shall add to or supersede any of its provisions, and concludes collective bargaining for its term.
