Old Business:

School- R.O. mentioned that the High School was receiving an award for sportsmanship, has shown increased academic performance .

The High School has an attendance issue and has rated poorly on a risky behavior study.

The school system has developed programs to address these needs.

Examples: Title I for needy elementary students, A program addressing attendance plus weekly meetings addressing guidance and academic performance issues.

R.O. mentioned that a program where a particular class plant a tree annually to replace older trees that are being removed.

Discussion followed concerning tuitioning students to other school. H.S. suggested that we recommend in the Master Plan that this would not be done.

New Business:

Discussion followed on obtaining an estimated on printing costs of a master plan and have it put in the next budget.

Meeting adjourn at 8:10

Respectfully submitted

Ralph Odell
