PUBLIC INPUT:

Bob Schiferle: On Article 26, it was not recommended. Is it too high or too low?

(GL) I proposed several cuts which did not occur.

(NH) I do not agree with one of the salary cuts – it was undercut.

(AD) I support the Budget as presented by the Board of Selectmen.

(LK) I felt it was too high; perhaps with some more trimming, it could be lower.

(EN) Board went through the Budget several times and as presented, it was supported by the Department Heads. Salary cuts are not the answer.

Bob Schiferle: On Article 32, with the threat of the legal expenses, has anyone done any estimates?

(NH) It would depend on what the push was for. How can you estimate something if you do not know what they fighting for.

(LK) My estimate is about \$1,000. I do not agree with the Ordinance.

(GL) I support the Ordinance but cannot see the taxpayer having to pay for the legal fees.

Fred Hast: Which salaries were cut too much? (NH) The Town Clerk's.

Fred Hast: The Town Clerk makes more than five of the surrounding towns Town Clerks. (NH) The Town Clerk's salary is below median. What towns were polled to determine this figure? Fred Hast: Epsom, Northwood, Loudon, Barnstead.... (AD) Aren't a couple of those towns' part-timers? (NH) I disagree with the salary below median. Fred Hast: The Town Administrator is way up.

(EN) This is Public Input only, not a discussion. If you have any questions, put them in writing and we will get the answers for you.

Fred Hast: Why did you not post the positions? (EN) Board decided on the selection for the position.

Adam Gauthier: Does Cara get a lot of requests for printed copies of the Agenda? There are a lot of pages here. (CM) Not really.

Adam Gauthier: Is the Town burying cars left on the street? (EN) With the parking ban, we are supposed to get a hold of the owners. (CM) this is something that has been worked out by George and Jeff. Adam Gauthier: There is a blue Ford that has been parked in the parking lot for about a week. (The plate number was given to Town Administrator to be checked.)

Adam Gauthier: Will that road map (Action Items No. 6) be published before the Town Meeting? (CM) No, after. (EN) It will not get to us by the Town Meeting.

BOARD OF SELECTMEN

PUBLIC HEARING #2
TUESDAY, FEBRUARY 16, 2016

The Board of Selectmen will hold a public hearing to accept public comment on a proposed warrant article for the 2016 town meeting to rescind, in accordance with RSA 33:8-f, the balance of the 2001 bond authorization for a Wastewater Treatment Facility project that is now complete.

The proposed warrant article to be discussed to rescind the balance will be the 2001 town meeting warrant article #4, which approved the authorization to borrow and expend the amount of \$1,200,000 for the purpose of the construction and original equipping of improvements to and the cleaning of the wastewater lagoons at the Wastewater Treatment Facility. The project has been completed and a bond was issued on September 16, 2011 in the amount of \$682,100. The balance of the authorization to rescind is \$571,900.

This will be the first of two public hearings on the same meeting night to consider rescinding the bond authorizations that are no longer required as the project is complete.

PUBLIC HEARING MEETING NOTICE

TOWN OF PITTSFIELD
BOARD OF SELECTMEN

PUBLIC HEARING #3
TUESDAY, FEBRUARY 16, 2016

The Board of Selectmen will hold a public hearing to accept public comment on a proposed warrant article for the 2016 town meeting to rescind, in accordance with RSA 33:8-f, the 2009 bond authorization for a Wastewater Treatment Facility project that is now complete.

The proposed warrant article to be discussed to rescind will be the 2009 special town meeting warrant article #1, which approved the authorization to borrow and expend the amount of \$428,000 for the purpose of financing the construction and original equipping of improvements to and the cleaning of the wastewater lagoons at the Wastewater Treatment Facility. This 2009 special town meeting was held to increase the bond authorization amount, to have the town meeting authorize the total cost of the entire project budget which was \$1,628,000. This 2009 action may appear to have been needless, however, total project budget needed to be properly authorized by the town in order to be able to receive the grant offset of \$945,900 from the United States Department of Agriculture/Rural Development.

The project has been completed and a bond was issued on September 16, 2011 in the amount of \$682,100. The town did receive the grant offset of \$945,000 for the project.

The amount of the 2009 warrant article's bond authorization to rescind is \$428,000. The town did not need to issue a bond for this amount, as the USDA/RD grant was received. Since the project has been completed, the bond authorization can be rescinded so the authorization is not 'hanging' out there, which could potentially tie up the ability for another bond authorization for future upgrades at the Wastewater Treatment Facility.

The public hearing will be held at 7:15 p.m. on Tuesday, February 16, 2016 at the Town Office, 85 Main Street, Pittsfield, NH 03263.
