Minutes of the Cemetery Trustees – Thursday, May 2, 2019

Members present: Cedric Dustin, Pat Heffernan, and Cara Marston

Meeting was called to order at 2:00 p.m. at the Pittsfield town hall.

New Business:

1. 2019 Floral Park Cemetery Maintenance – The Trustees reviewed another bid that came in from TNT Landscaping to take care of the landscaping for the 2019 season for \$30,000. This will be presented to the Selectmen at their next meeting for discussion and consideration. Marston was able to line up Dignified Cemetery (Mark Hubbard) to take care of the grave digging services. Families requesting the services will be in direct contact with Dignified so the costs do not have to run through the town.
2. The Rotary club asked for permission to use the area to the left of the Thyng Memorial for the helicopter staging at Balloon Rally. The Trustees had no concerns with this as no complaints had come in from the past few years. Marston will inform Okrent this is still okay to utilize.
3. The Trustees discussed the disposition of the cemetery equipment, this will be discussed with the Selectmen, too.
4. Marston has contacted one surveyor to look at the cemetery maps, as they really need to be updated. More information to come at future meetings.

No other business was conducted.
