Minutes of the Cemetery Trustees – Monday, July 20, 2020

Members present: Cedric Dustin, Pat Heffernan, and Cara Marston

Meeting was called to order at 5:00 p.m. at the Floral Park Cemetery.

New Business:

1. Sale of off-map space – the Trustees met with Carl & Valerie Anderson to review a proposed area across from Hillside Section C, between the two maples, along the woodside for a family plot.
Marston will contact Dignified Cemetery to measure and estimate how many potential grave lots are in this area for the Trustees to consider the mapping & sale of the rights to inter to the Andersons. A meeting will be scheduled to continue the discussion once this estimate is obtained.

No other business was conducted.
