New Business:

1. 2022 Maintenance – trustees reviewed the posting for landscaping maintenance, no changes for the Floral Park one for 2022, but will have to add a second posting for the Quaker & Berry Cemeteries this year. Bids will be due April 15<sup>th</sup> and the trustees will meet April 18<sup>th</sup> to review the submissions.
2. Brock stone damage – will be working with Perry Monument for repair on one stone in the old section, it is still uncertain if this damage was by the mowing or otherwise at this juncture. A claim can be filed if needed to recoup the cost.
3. Trees – Cara let Cedric know of an idea that Leslie Vogt had involving a grant for an arborist review/plan for the trees several town/school locations (cemetery, Dustin Park, Drake Field). Leslie is checking with the Wallman Foundation to see if this type of grant activity would be eligible.

No other business was conducted.
