

TOWN OF PITTSFIELD
CEMETERY TRUSTEES

Pittsfield Town Hall
85 Main Street
Pittsfield, NH 03263

Minutes of the Cemetery Trustees – Monday, April 22, 2024

Members present: Pat Heffernan and Cara Marston

Meeting was called to order at 5:00 p.m. at the Pittsfield Town Hall.

New Business:

1. Spring cleanup – Cara & Pat discussed the trash that had been reported near Section E and the felled large limbs and trees from the winter/spring weather. The tree work should be able to be incorporated into the public works schedule. The trash that was on town property was picked up this past weekend.
2. Regulations – the Trustees reviewed the final version of the proposed updates to the regulations. Sections 6 through 11 had various updates, a new section regarding Maintenance was added as Section 12, and the remaining sections were renumbered. The Trustees approved the changes, and the new document was adopted. The regulations will be posted on the website and filed with the Town Clerk.
3. Lot pricing – Pat and Cara checked with comparable and surrounding towns for their lot pricing. It was hard to compare Floral Park's pricing to other cemeteries that have a layout with crematory gardens and cremation walls, but for standard per-plot pricing, the price per lot was still in range. They will continue to review the pricing structure to make sure enough is being charged.

No other business was conducted.
