

Our Program

For over 60 years, Adult & Teen Challenge USA has operated on a holistic model of drug and alcohol recovery. This means that we are concerned with the body, mind, and spirit of those who come to our addiction recovery centers. Our vision is to see all people freed from addiction through the power of Jesus Christ!

HOW WE APPROACH HOLISTIC RECOVERY

A restored relationship with God can transform those who suffer from addiction into vibrant, free, and sober followers of the Lord.

We base the curriculum and community of our addiction recovery centers on God's Word—the Bible. Our practical Bible-based courses help the transition from alcoholism and substance abuse to a life of freedom in Christ. We offer a chance to start over, become a new person, live a godly life, and find freedom through a restored purpose and an eternal hope. This is done through classes, individual study, personal mentoring, work ethic training, and involvement in the Christian community.
