

**Pittsfield Beautification Committee**  
**Minutes**  
**November 5, 2016**

Diana opened the meeting at 7:15 pm at Nancy's home.

**Members Present:** Diana, Tina, Nancy, Carol, Gail, Matt, Paula, Carole, Ryan, Lucien, Pat, Ted and Nick

**Members Absent:** Jason, Justin

**Secretary's Report:** September and October minutes were approved

**Treasurer's Report:** Tina reviewed current expenditures and account balance.

Diana thanked everyone for their hard work and especially Frank and Nick for their expertise. She also remarked how much we get accomplished with so little resources.

Ted would like to replace the stone around the Crescent St garden with 18 x18 inch pavers, embedded in cement, making it look like brick. He does not think we need any town permission. He has offered to cover half the cost and to do the labor. We will discuss further in our April meeting where he will provide us with pricing options. He suggests that we also tackle the same problem at the Rite Aid garden at a later date.

Carole said that in order to continue having our meetings at Town Hall we need to get it listed on the calendar as the first Monday of every month. She also let Diana know that the Chairman writes a report for the annual Town Report.

The meeting ended at 7:27 pm. Diana will schedule the April meeting some time in March
