

TOWN OF PITTSFIELD
Community Development Committee
Town Office 85 Main Street
Pittsfield, NH 03263
April 24, 2019

1. Meeting began at 6:33.
2. Attendees: Louie Houle (LH), Fred Endler (FE), Ellen Barbasso (EB), Tracy Huyck, and Marty Brennan.
3. Minutes for April 10, 2019 approved and accepted.
4. Library is still waiting for a report from Preservation Alliance .
The person who is evaluating the barn wants to take more pictures. He wants to get more information on the historical aspects of the barn
5. First Impressions
Louie and Tracy have been getting information on garbage cans (to be put in various locations around town) and kiosks
6. Solar Project:
The CDC is going to take a trip to Milton, NH on Wednesday, May 1st to see their solar array at a landfill at the town dump. It is the same company that we will be working with. We will be meeting with Andrew Keller of Granite State Solar Garden. We would like to know what the people who live there think about having solar power for their town. We will meet at the town hall at 12:30.
7. Brownfields-There is still some concern about asbestos at the Freese property. Fred tried to contact Matt Monahan, but he was out of town. He then tried to contact Steve Rickerich. The asbestos can be disposed of in Pete Pszonowsky's container.
8. Pittsfield Main Street Façade Grant
There is no news yet. There were 15 applications, and 6 will be approved. Since we said there will be a 51% match, that gave us additional 20 points. We will find out in June if we will receive it.
9. Next Wednesday (April 17th) at 6pm there will be a meeting for the Suncook Valley Rail Trails. They would like to have a trail from Bear Brook State Park to Barnstead. The state is putting money into this project in other towns. It would be beneficial to our town
10. Other: The property across from the cemetery will be a climate controlled storage facility. It will be about \$25,000 that the town will receive.

11. Next meeting will be May 8 , 2019, at 6:30pm

12. Meeting adjourned at 7:02 P.M.
