

TOWN OF PITTSFIELD
Community Development Committee
Town Office 85 Main Street
Pittsfield, NH 03263
November 28, 2018

1. Meeting called to order at 6:40.
2. Attendees: Louie Houle (LH), Fred Endler (FE), Dale Frizzle (DF), Ellen Barbasso (EB), and Tracy Huyck. Absent: Jim Allard.
3. Minutes . The minutes from October 24, 2018 were approved and accepted as written. The minutes from November 14, 2018 were approved and accepted as written.
4. Solar Farms
Louie Houle spoke to another developer who is interested in putting in solar farms in Pittsfield. They would be smaller than the first company that was interested, but he could put up several of them on different lots. We need to get more information before speaking to him again. We would like to have him speak to the CDC and we can invite Matt Monahan from CNHRPC and one or two selectmen.
5. Library Barn
The library is trying to get in contact with a Historical Preservation group to help to save the barn. There may be a problem with doing that because of stipulations in the contract from the previous owner
6. Brownfields area – We would like to get Mike Tardiff or Matt Monahan from CNHRPC to a meeting to discuss clean up of the area and how we can get funding to do it.
.
7. First Impressions
Things are moving along. Next meeting will be in January. Tracy mentioned that she will be able to get some garbage cans from Rotary that can be placed on the sidewalks in downtown.
