

Find Your Place in the Community: Volunteer to Help Your Neighbor

Watching your
neighbors home
on fire or not
knowing what
to do during
a medical
emergency can
be a helpless
feeling.
Help your
neighbor - and
yourself - by
becoming a
volunteer
member of the
Pittsfield Fire
Department.

To be a member of our team, you'll need initiative, courage and dedication, in addition to having a willingness to learn new skills and possessing the ability to face challenges.

The Pittsfield Fire Department provides the necessary training, gear and equipment. The skills you learn will last a lifetime by benefitting you, your family, and community.

Nationwide, the number of volunteer firefighters and EMTs has been steadily declining and we can see its effect at the local level. A lack of volunteers means a greater risk to our community because of longer response time and fewer people available to do the tasks involved in firefighting and other emergency response services. Communities served by volunteer firefighters depend on them to be their first line of defense for many types of emergencies. What if no one answered the call? We need volunteer members to help us help our community.

If you would like to learn more about volunteer opportunities at the Pittsfield Fire Department or have questions about the services we provide, please contact us at [435-6807](tel:435-6807) or stop by the station at 33 Catamount Road, Pittsfield.

**You can make a difference in
our community by taking a more active role.**
