

Parks and Recreation Commission  
Committee Meeting  
March 10, 2020  
Draft

Present: Minni Plante, Lynda Vogt, Bob Giegerich, Paula Martel, Dave Stasiak, Lindsay Riel

The meeting began at 6:15. The minutes of the February 11, 2020 were reviewed. Dave made a motion to accepted as written and Bob seconded the motion.

The skating party, in general, worked out well. We had a box of skates available for children who didn't have any. Most children didn't bring skates and preferred to slide on the ice instead of skating. About 20 children attended the event. They enjoyed making s'mores over the wood fire. We would like to have the event next year and will consider running it for 2 hours.

Minni placed an ad in the Pittsfield Post and town website for pool employees (director, assistant director, lifeguards and gate keepers. Minni will also ask the high school to request it to be mentioned over the intercom. There is a March 27 deadline for applications.

The Easter egg hunt was discussed. We will have 12 chocolate bunnies, which will be claimed by children who find a specific note in one of the plastic eggs. The Lions Club will donate a gift certificate for Chucksters, to be placed in the golden egg. We will ask children to make Easter bonnets/hats and have a parade. Minni will make a flier.

Lindsey volunteered to get flowers for the pool when the time comes. We will get sand for the volleyball court and under the swings. We are considering having a hot dog day and a s'more day during the summer at the swimming area.

The meeting was adjourned at 6:45.
