Boxes of Love for the Homeless' mission is to provide the most vulnerable among us with necessary, thoughtful items, in a Box of Love, presented as a gift for the purpose of making a human connection, offering a listening ear, an opportunity to share their personal journeys...and to let them know they are worthy, seen and accepted. When you share love with others, you provide a sense of belonging and above all else hope. We also believe many hands make light work! We are an all-volunteer organization and have a great appreciation to all who donate their time and resources to help us on our mission. To learn more about our organization, visit our website at <https://boxesofloveforthehomeless.com/> or visit us at <https://www.facebook.com/boxesofloveforthehomeless/>
