Minutes of the Cemetery Trustees – Monday, January 13, 2020

Members present: Cedric Dustin, Pat Heffernan, and Cara Marston

Meeting was called to order at 5:30 p.m. at the Pittsfield town hall.

New Business:

1. 2020 Floral Park Maintenance – The Trustees discussed the notice that needed to be drafted for the 2020 Maintenance season. Cemetery interment/stone services have been lined up with Dignified Cemetery Services and arranged directly by lot owners and the company, which has worked out well, so the ad can be geared to landscaping maintenance this year. The bid should include the addition of maintaining all the grassy areas, spring & fall cleanups, tree/shrub maintenance and the trimming around the markers.

No other business was conducted.
